ASSEMBLY INSTRUCTIONS
OPTIMIZER BATH

THIS FURNITURE MUST BE FIXED TO THE WALL

To ensure the safety of those using this cabinet, it is crucial to properly secure it to the wall using a wall anchor . This product includes the necessary items for fixing the furniture to the wall. However, it is important to note that incorrect installation or failure to use the tip-over device can result in serious injury or even death.
For this reason, we highly recommend that a professional installer handle the installation of the cabinet to the wall.

How do the dowels and Minifix system work?
¿Como funcionan los Tarugos y Cajas Minifix?

this is very important too!

Everytime you're using one of these connectors during the assembly, you should follow these same steps.

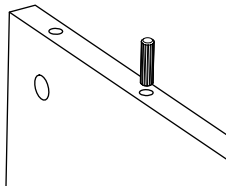

¡también es muy importante!

Cada vez que uses estos componentes durante el armado debes seguir los mismos pasos

Wood dowels / Tarugos

They are little wooden cylinders
Son los cilindros pequeños de madera

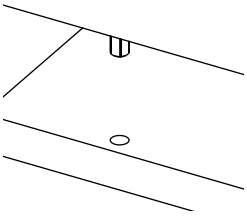

1

Put in the dowel inside the indicated hole and softly hit it until it's fully inside.

Coloque el tarugo en el agujero indicado y golpeelo suavemente hasta que este completamente

2

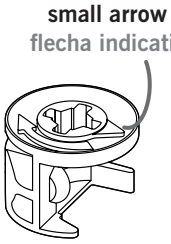

When joining two panels together, don't forget to gently hit the panels to adjust the joint.

Para unir dos paneles juntos, no olvides golpear suavemente los paneles para

Minifix system / Sistema Minifix

It's a joint compound of two parts: a spreading bolt and a Minifix cam.
Es un ensamble compuesto de dos partes: Un Perno y una caja Minifix

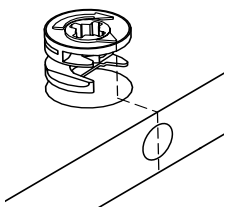

1

This is a Minifix cam. It has a little arrow on its upper surface.

Esta es una Caja Minifix, tiene una pequeña flecha indicativa en la parte

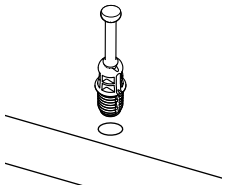

2

You should insert these cams with the little arrow pointing towards the drilling on the panel's edge (shown on the left).

Debes insertar estas cajas con la fecha apuntando hacia la perforación en el borde de la pieza

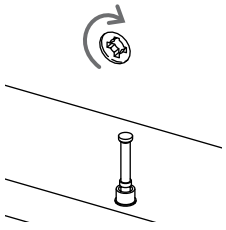

3

This is a spreading bolt. You should put it with the black plastic part facing

Este es un Perno Minifix. Debes ponerlo con la parte plástica negra boca abajo

4

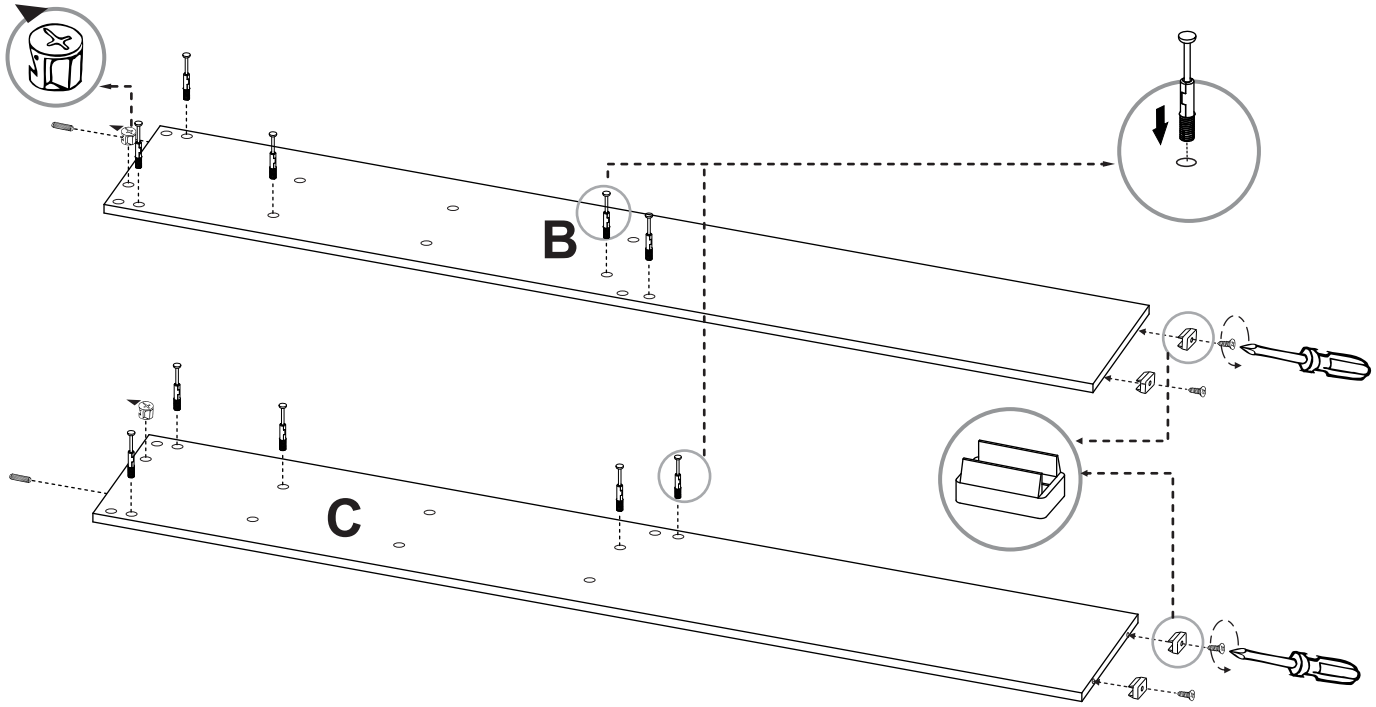

After joining two panels together you should turn the cams 180° with a phillips head screwdriver to adjust and secure the joint.

Después de unir ambos paneles, debes girar las cajas 180° con la ayuda de un destornillador para ajustar y asegurar la unión.

Fix your cabinet to the wall

Fija el mueble a la pared

1 On the wall, measure and mark the points shown below.
En la pared, mide y marca los puntos que te indicamos abajo.

2 Drill on the markings with a 5/16" drill bit.
Debes perforar en los puntos con taladro y una broca de 5/16"

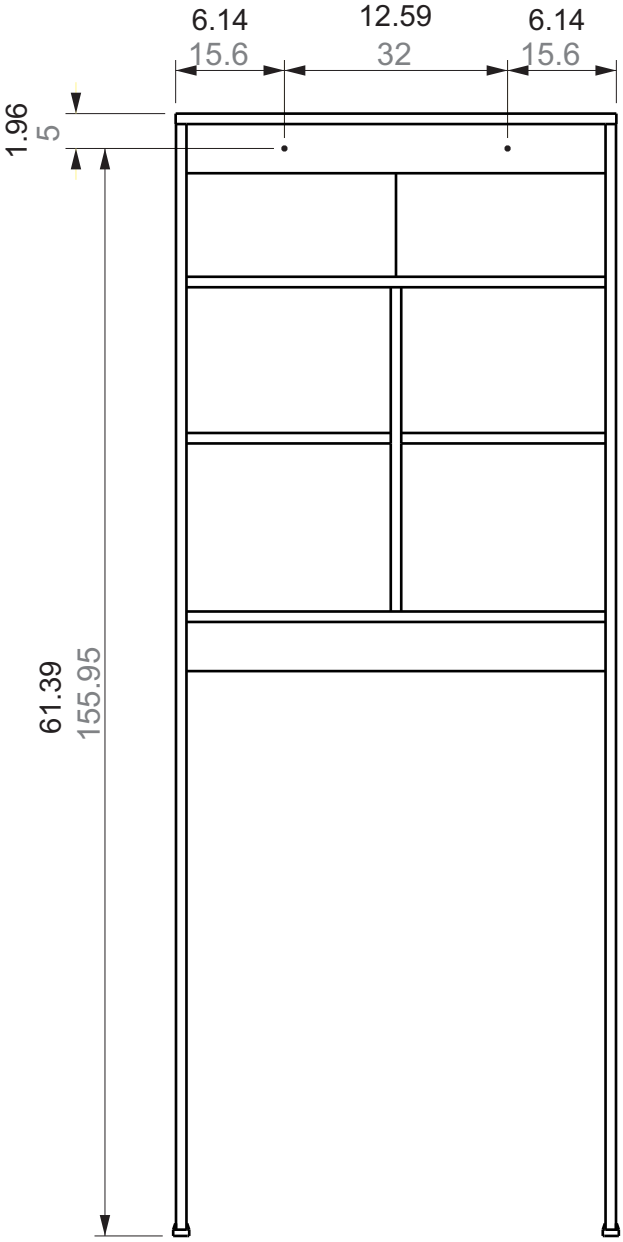

3 Insert the wall anchors inside the drillings.
Inserta los chazos plásticos en las perforaciones.

4 Place the cabinet and secure it with the screws.
Ubica el mueble y asegúralo con los tornillos.

WARRANTY POLICY

Furniture has a 1 year warranty coverage in wooden parts and hardware pieces since its manufacturing date, which you can see in the lot number printed on the product box and the assembly instructions leaflet.

Warranty covers materials and workmanship imperfections which impair the assembly or correct functioning of the cabinet.

This warranty is not valid if the defects or imperfections are caused by the incorrect following of the assembly instructions, warnings and recommendations, misuse, intentional damage, fire or flood, or after modifications or any kind of alteration, or repaired by someone not authorized, when it´s been assembled 3 months after the date of purchase. These defects MUST be reported before the warranty coverage period ends. Once the product has been assembled, the company will not be responsible for defective and/or damaged parts.

This warranty is ONLY valid for the ORIGINAL PURCHASER, it doesn't apply if the product has been resold, rented, etc.

Furniture will take no liability for incidental or consequential damages caused to or by the product (This may not apply in your state).

To make this warranty valid you must write to our customer service email describing the product defect, lot number and submitting your sales reciept or proof of purchase, or contact us at our customer service line. Replaced parts will be under the product´s original warranty coverage period. Damaged parts will become property of the company.

There are no other warranties applicable to this product.
